

Greetings,

Our Fall Open House and Sale is coming up next weekend Saturday 11/16 and Sunday 11/17.

There will be a Talk on Saturday and a Featured Artist both days

**Talk**

Saturday 11/16 at 1 p.m.

Winter is coming: Cultivating Wellness and vitality with medicinal California native plants

A discussion on treating and preventing winter illnesses and imbalances using widely available medicinal California native plants. Colds, flus, depression/seasonal depression, grief, and keeping our emotional and spiritual hearths and homes warm and grounded are some of the subjects we will touch on.

Nicole Witch-Hazel is a certified clinical Energetic Herbalist, also apprenticed and trained in Western clinical herbalism. <https://witchcraftapothecary.wordpress.com/>

**Featured Artist**

Vian is a local screen-print artist. Their prints are on various types of cloth. Sew plant and resistance themed patches on jackets, tote bags or backpacks. Vian's work will be on display and available to purchase on a sliding scale both days.

Patches by Vian

I'll follow up next week with the list of bulbs and plants that will be on sale. Hope to see you there!
